

BRAINSTORMS

With Ferrin Cox

We read a Beetle Bailey cartoon last week which stuck with this ex-GI. One panel had the chaplain leading prayer and blessing the food to the nourishment of our bodies. The next panel pictured two GIs eating in the Army mess hall and asking if the chaplain was challenging their faith! Anyone who ate many meals in the "old Army" can surely relate to that question. While there were a lot of good cooks, there were many like the one we met on KP while in basic training. When told to break a case of eggs into a huge pot for breakfast, the question was, "What do we do with the rotten eggs?" The answer from the Mess Sergeant was, "The U. S. government don't buy no rotten eggs!" ... This recruit hushed and cracked them all directly into the big pot.

Pete Wilson, the California governor with an eye for the White House in 1996, is beginning to see signs of trouble. He has already closed his Iowa campaign office and laid off the paid staff there. He also continues to come up short of problems (needs) in his fund raising efforts. We predict Wilson, a Republican, will be another of the candidates to drop out, to concentrate on projects at home or something.

It was announced this week that *The Washington Post* and the *New York Times* will publish the rambling writings of the Unabomber. The Unabomber is the unknown person who has mailed at least 16 bombs to unsuspecting victims all across the nation. College professors have been high on his list for some unknown reason. We hesitate to condemn those publishing the rambling words, even the Justice Department wants them to do it. Our opinion has always been and remains that this will not stop the Unabomber from either sending more bombs or more demands to be published. It will probably also encourage copycat ransom demands around the world.

Dorsey Trailers, or more accurately company CEO Marilyn Marks, was the subject of a success story write up in the September 18th edition of *U.S. News & World Report*. The article contained a photo of a smiling CEO and a glowing report of how the company has overcome insurmountable problems and is now riding the crest of success. Sales reports for 1991 were \$91 million and in just the first half of 1992 they reached \$123 million. The company shipped 12,000 truck trailers last year. Loyal employees and the \$24 million SBA loan after the flood are credited with "saving the day." The story explains that Marks and "Elba's desperate mayor" convinced the Small Business Administration to make the largest loan in the history of the agency.

Some Alabama lawmakers want a pension plan for themselves. Right here when the public is convinced that limit limits is what is needed, these folks begin figuring ways to further fleece the taxpayers. An effort was made in the state constitution to prevent such actions, and we see no reason to allow them to circumvent that law.

James Griggs is to be commended for his action tearing down the old Riverside Cafe building. He doesn't live in Elba anymore, which makes his action even more creditable. The facility has been empty since before the 1990 flood and was right on the main road through town, seen by almost all passing through Elba. Now, if a number of other Elba property owners will be inspired by Griggs' action, the town will look a whole lot better. If not, then the City needs to follow through with those threats of doing it themselves and billing the property owner.

State Representative Garrett Moore dropped by the office Monday. He talked about several things, including courthouse(s). It hurts to agree with a politician, but his idea of us making our decisions on what to do about the courthouses BEFORE the federal courts decide for us is commendable. A little more talking may have uncovered some differences we have with Moore, but on the basic statement we gotta agree. It is always better for us to make these decisions than play politics and let the federal judges solve our problems.

Legal Services Corporation to Face Major Reform

What began 20 years ago as a program to provide for the day-to-day legal needs for the poor has since evolved into a politicized and unaccountable bureaucracy that all too often fails to adequately serve the very people for which it was designed.

The Legal Services Corporation is a private, non-profit entity which receives substantial government funding — some \$400 million this year alone — to fund legal aid services for America's disadvantaged. After receiving federal funds, the LSC then distributes the money to 323 basic field programs, 89 state and national support centers, and a variety of other recipients such as native American Indian tribes and migrant farm workers. Some \$240 million in new LSC private funds also goes to these legal aid societies each year.

With all of this money and so many local support programs in place, one would assume that the legal needs of America's low-income citizens would be close to being sufficiently met. The reality is quite different, however. Legal Services Corporation maintains its own agenda which often doesn't have time to provide legal help for low income poor. Currently, only 20 percent of eligible low income Americans are able to obtain legal assistance through the LSC.

Let's look at some examples. A legal services attorney in Dallas, Texas filed a Social Security Disability claim on behalf of a convicted burglar who suffered a broken back while attempting to enter a Porsche dealership through a skylight. The man filed suit claiming it was unconstitutional for the Social Security Administration to deny him benefits for injuries sustained in the crime.

Other recent cases border on the bizarre. In one instance, legal services represented a convicted rapist, while he was in prison, who had filed suit against his victim for cus-

DEMAND QUALITY PHARMACY CARE

ALUMNI DELIVER COMMENCEMENT ADDRESS AT MACARTHUR GRADUATION. Three alumni representatives delivered the commencement address during MacArthur State Technical College's graduation exercises held in the Opp High School Auditorium August 24. They were, Kimberly McBride of Elba, engineering assistant with Alabama Electric Cooperative; Roger Merihew of Macon, Georgia, service manager with Macon Power; and June Buxton of Enterprise, nurse with Dr. Russell Cook in Enterprise.

Local students graduate from MacArthur State Technical College

As part of the college's 30th anniversary celebration, MacArthur State Technical College paid tribute to its alumni during graduation exercises held August 24, 1995.

Three alumni representatives delivered the commencement address. June Buxton of Enterprise, Kimberly McBride of Elba, and Roger Merihew of Macon Georgia shared many college and career experiences which confirmed their pride in MacArthur. McBride is employed at Alabama Electric Cooperative in Andalusia as an engineering assistant.

Elba graduates include: Clarence E. Bowden and Robert C. Martin, air conditioning and refrigeration; Glenda M. Quattlebaum, accounting; Joseph J. Windham, automotive mechanics; Patricia S. Adkins and Marlon L. White, barbering; Mark Y. Jelfcoat, communication electronics; industrial electronics; and industrial electronics; Lesley O. Rogers, cosmetology; Patty S. Calhoun and Tasha M. Nunn, practical nursing; and Anissa M. Tillis, secretarial.

Southern Union announces Summer Quarter President's and Dean's List

Southern Union State Community College, Wadley, AL, recently announced the President's and Dean's lists for all campuses for Summer Quarter 1995. Requirement for the President's List are a quarterly grade point average of 4.0 and completion of a minimum quarterly course load of 12 quarter hours of college-level work. Dean's List requirements are a quarterly grade point average of 3.5 or above but below 4.0 and completion of a minimum quarterly course load of 12 quarter hours of college-level work.

The following student from this area was among the 291 students attaining this distinction: Corey H. Driggers-President's List, Elba, AL.

DeVaughn, a 1988 graduate of New Brockton High School, New Brockton, AL, will report to Fort Jackson, SC on January 11, 1996 for military basic training.

She is the daughter of Ronald R. and Linda G. DeVaughn of Elba, AL.

A day of national protest -- "High Noon for Your Local Pharmacy" -- is being staged on September 20 to illustrate to consumers how the unconcerned policies of health insurers are adversely affecting them. Quality pharmacist care is now being lost by millions of consumers in neighborhoods large and small across America.

If insurers are allowed to continue such unfair policies, the number of independent losers being those whom we have served for so many years.

The time has come for consumers to stand up and say no. No longer can we allow the health and welfare of millions of Americans to be jeopardized by the unfair practices of many in the health insurance industry.

Sincerely,
Ricky Haywood
Registered Pharmacist

Group takes cruise

On Thursday night, September 7, 1995 a group took a cruise on the Gladys Anderson Grogan Cruise in Panama City, FL. Those attending were: Mr. and Mrs. Richard Moss, Mr. and Mrs. Todd Boland, Mr. and Mrs. Earl Bailey, Mr. and Mrs. Malcolm Pippin, Edna Danley, Dot Bryan, and Maureen Dunn, all of Mt. Olive Baptist Church; Mr. and Mrs. Nick Nicholson and Betty Sanders of Whitewater Baptist Church; and Claude Mae Stewart of Westside Baptist Church. Everyone enjoyed their trip and plan to return next year.

LETTERS TO THE EDITOR

Dear Ferrin,

I wanted to write a note to you and your readers concerning the Elba Elementary PTO. The most effective way to insure improvement and guarantee quality in our school system is through parental involvement. The parents of Elba will have an opportunity to become involved Monday night, September 25, by attending the first PTO meeting for the new school year. The meeting will begin at 7:00 p.m. and will cover a number of upcoming events and activities designed to improve the quality of our children's education.

I challenge all parents to come and be a part of making Elba Elementary School the best it can be in 1995.

Sincerely,
Tony Dye
Vice President
Elba Elementary PTO

Dear Editor,

Please renew my subscription for another year. I am getting my paper some faster now. Sometimes the same week it is mailed.

Thank you,
Mildred Edwards
Biloxi, MS

To the Editor:

In survey after survey, consumers have repeatedly stated that they want to have the right to patronize the neighborhood pharmacy of their choice.

However, for several years now and with increasing regularity, many health insurance companies have been taking that choice from millions and millions of consumers. The companies often force consumers to abandon the local pharmacy that has served them well for years. Patients are forced either to patronize another pharmacy or to obtain drugs from unregulated mail order companies located hundreds of miles away.

Even when patients are allowed to continue with their local pharmacy, many insurers are dictating which drugs the pharmacy may use to fill a prescription—influenced primarily by which supplier gave the insurer the best deal, rather than by what is best for the patient.

The upshot of these and other ill advised practices of many insurance companies is many consumers suffer the ultimate elimination of choice: their local pharmacy goes out of business. Independent pharmacies are every bit as competitive as mail order companies or the pharmacies being designated by the insurers. (A 1995 study by Drug Store News, for example, showed the average price of a prescription is lower at independent pharmacies than at chain drugstores.) Yet we are not being allowed to compete.

In just the past year, approximately four million people have lost their independent pharmacy because it was forced to close its doors permanently. Each week, about 80,000 more consumers are losing their pharmacy.

A day of national protest -- "High Noon for Your Local Pharmacy" -- is being staged on September 20 to illustrate to consumers how the unconcerned policies of health insurers are adversely affecting them. Quality pharmacist care is now being lost by millions of consumers in neighborhoods large and small across America.

If insurers are allowed to continue such unfair policies, the number of independent losers being those whom we have served for so many years.

The time has come for consumers to stand up and say no. No longer can we allow the health and welfare of millions of Americans to be jeopardized by the unfair practices of many in the health insurance industry.

Sincerely,
Ricky Haywood

SENIORS OF THE WEEK

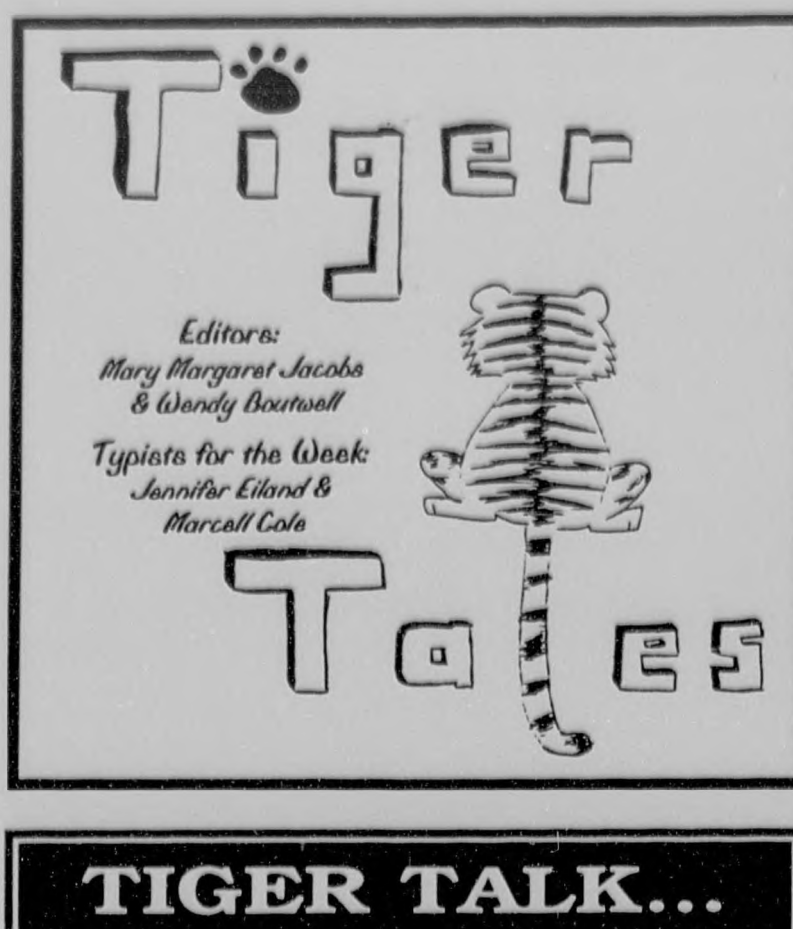

Pictured above are Nicole Robinson and Tracie Bryan.

by Jarrod Adkison & Marsha Tillis

Crystal Layton is the daughter of Betty Sue Jones and Joe Layton. She is actively involved in FFA, VICA, and Mu Alpha Theta. She enjoys skating. Her goal for the year is to make all A's and to graduate. She plans to attend college and become a physical therapist.

Tracie Bryan is the son of Tyler and Debby Bryan. He is a member of VICA and FFA. Tracie's hobbies include fishing and hunting. He attends Mt. Olive Baptist Church. Alabama is his favorite college team. After graduation, Tracie plans to attend college.

Nicole Robinson is the daughter of Freddie and Angeline Robinson. She is an active member of FBLA, VICA, and New Zion Baptist Church. Nicole's goal for the year is to make better grades and have a positive attitude. After finishing high school, she plans to attend Alabama State and major in Criminal Justice.

TIGER TALK...

by Wyndi Baker

This week I interviewed Darryl Weeks. I asked Mr. Weeks how he liked his new job as assistant principal. This was his response:

"This school year I've had the opportunity to be an administrator at the beginning of the school year instead of starting at the end of the school year. Last year, it seemed as if I only had a few days in this position. This new job has really helped me appreciate the total school year. The transition from 'coach' to an administrator was difficult at first, but with the guidance of Mr. Stokes and the dedicated faculty, the new job has been great. The school year so far has been wonderful. I'm proud to see a student body with the 'pride' and 'class' we've had this year. Our faculty has certainly worked hard to prepare a good beginning for each student. This sense of unity at Elba High is why I enjoy coming to work each day. Yes, I enjoy my new job! Why? Because you the students and faculty are #1."

STUDENT SPOTLIGHT

Pictured above (l to r) are Teleshia Daniels and Britany McCall.

by Regina Austin & Kayla Phillips

Toccara Stoudemire is the daughter of Tracey Robinson. Her hobbies are singing, dancing, and talking on the telephone. She is a member of Elba Zion MB Church. Toccara's greatest accomplishment is coming to the high school. The thing she likes most about EHS is break, short order lines, and so many boys.

Teleshia Daniels is the daughter of Leisha Daniels. Her hobbies include talking on the phone, playing sports, and being with friends. She attends Elba Zion MB Church. She is a member of FFA, FBLA, and the Marching Tiger Band. Her greatest accomplishment is maintaining an "A" average throughout school.

Britany McCall is the daughter of Van and Janice McCall. Her hobbies are dancing and swimming. She attends Westside Baptist Church. She is a member of St. Beta Club, Mu Alpha Theta, and Spanish Club. Her most embarrassing moment was falling in Wal-Mart.

"The Elba Tigers will play Opp Friday night. The game starts at 7:30."

"Seniors will order graduation supplies on October 4, 1995."

"Senior portrait portfolios will be delivered on September 29, 1995 at 10:00 a.m. A \$35 deposit is required to receive the portfolio."

"Dian Mills will take orders of senior portraits on October 16, 1995."

"Auburn Tigers will travel to Lexington to play Kentucky on September 30."

"Alabama Crimson Tide will travel to Athens to play Georgia on September 30."

???Question??? Corner

by Jenny Ross & Marsha Tillis

This week the Tiger Tales staff asked the students of EHS the question, "Who is your hero?" The responses were as follows:

Kristy Morris: "My mother."

Brandee Farris: "Matt and Jama."

Mandy White: "I don't have one."

Randy Dodd: "Donald Duck."

Anna Head: "I don't know."

Joe Lott: "Mrs. Padgett."

Mary Kelley: "I really don't know."

Clara Tindol: "My dad."

Jason Samuel: "My fiancée."

Kayla Phillips: "My parents."

Costellus Lawrence: "Jason (the white Power Ranger)."

Crystal Layton: "Barbie."

Stephen Watkins: "My mom."

EHS Welcomes New Teacher

by Larey Smedley

This week's new teacher selection is Mr. David Collins. This 26 year old teacher was born in Dothan. He attended school at the long time rival, Slocomb High. Mr. Collins is currently attending Troy State University and is hold a Bachelor in Science Degree. He's also working for a Masters Degree while teaching health, earth, and life science. Mr. Collins enjoys his classes and his students enjoy him.

When he's not teaching, he relaxes and goes fishing in his free time. Keep up the good work, Mr. Collins. EHS wishes you the best of luck this school year.

GO TIGERS!

by Eric Weston

On September 9 and 10, the 1995-96 PALS students went to Wetumpka YMCA Camp Chandler to participate in the Interpersonal Relation Youth Leadership Retreat to learn and practice how to be good leaders as well as followers. They played games to meet and learn about the 170 students from other schools. They also participated in group skills which helped them to work together as a team. They look forward to going back with their little buddies in November.

FFA News

by Bucky Carlie

On June 8, 1995, Todd Hollinghead, Leigh Kelley, and Bucky Carlie attended the FFA State Convention in Montgomery. Many speakers were on hand for the installation of the new state officers. The public speaking contest and quartet and string band competition were enjoyed by all. The Elba FFA Chapter was also represented by Bo Boyd who was presented the 2nd place Beef Proficiency Award. Bo was also named the Southeast District Star Farmer. Congratulations, Bo!

When he's not teaching, he relaxes and goes fishing in his free time. Keep up the good work, Mr. Collins. EHS wishes you the best of luck this school year.

REBEL NEWS

Rachel Bryan, Sponsor

New Style For Pep Rally

by Amanda Wise

Mr. Blair Andress, junior high English teacher, was given a bib and a pacifier for winning a cheerleader competition at the Kinston pep rally.

This year the Varsity Cheerleaders have added something new to their pep rallies. They are holding contests. At the first pep rally Jason Johns won a pie eating contest. There were four people who ate through cream pies to find a piece of

bubblegum. The person who found the gum and blew a bubble first won the contest. At the second pep rally Mr. Pat Taylor, Dr. Linda Ingram, Mrs. Joie Hobbs, and Mr. Blair Andress competed to see who could empty a baby bottle of its contents first. All four gave a 100 percent effort and Mrs. Hobbs even got a little headstart by squeezing the contents of her bottle onto the floor, but Mr. Andress won anyway!

Ms. Susan Hatcher has been added to the elementary school staff to teach first grade. Ms. Hatcher is a graduate of Enterprise High School and Troy State University. She enjoys visiting historical sites and traveling. Ms. Hatcher has a four year old daughter, Kelly. When asked about her feelings for Zion Chapel, Ms. Hatcher said "Everyone is warm and generous. I am very fortunate to be working at Zion Chapel."

Views from THE PRESSBOX By Ricky Mularz Sports Editor

Mom was sick one day last week, and that meant that dear old Dad was in charge of getting the girls up and ready for school. I was a little late waking up, which meant the girls got to sleep a little longer than usual; however, we all got up in plenty of time and all managed to get dressed and out of the house on time. Melanie didn't have any ribbons in her hair, and wore white socks, but her clothes were clean, and hey, white socks match everything!

ELBA TIGERS ARE HUMBLING BY 2A GEORGIANA

I guess about the only thing anyone can say about Elba's 27-6 loss to Georgiana Friday night was that it was a humbling experience for everyone involved. The Tigers had a solid week of practice getting ready for the game and the players and coaches were all confident that they would knock off the undefeated Panthers. That confidence was gone in a matter of seconds; however, as Georgiana returned the kickoff for a touchdown, then added a second score after the Tigers fumbled on their first play from scrimmage. Georgiana was ahead 21-0 before Elba even managed to make a first down, and at the half, the Elba fans sat in stunned silence as their team went in trailing 27-0. As bad as the score was, the game itself was even worse, as the Tigers managed only 31 yards in total offense, lost three fumbles and looked totally out of sync.

The second half was somewhat of a different story as the Elba offense put together an 84 yard touchdown drive and tailback Chris Tyson gained 93 yards in only eight carries. The defense, led by an inspired effort by linebacker Rudy Free, knocked Georgiana cold on the initial series of the half and seemed to grab the momentum from the Panthers. However, with the Tigers needing to get the ball back for its offense, Georgiana pulled out the stopwatch on the sidelines to help eat up the clock, and used the stopwatch, and some big fourth down plays, to eat up almost 11 minutes of the clock before turning the ball over to Elba on a fumble. The Georgiana offense regained possession following Elba's touchdown with

1:47 left in the third quarter, and proceeded to keep the ball until only 2:36 was left in the game. The Panthers controlled the ball for 10:36 in the fourth quarter, compared to only 1:24 for Elba, and it is obvious that a team can't score if it doesn't have the ball.

High school football is not a life or death happening; however, it is time for the Elba players and coaches to stop and find a solution for the problems that have contributed to the two losses. The coaches will have to sit down, evaluate every player and make sure the best possible team is on the field on every play, while the players will have to also sit down and re-dedicate themselves to having a winning season. Three games don't make a season, and one bad game doesn't mean a team is not any good. The Elba Tigers have more than enough dedicated football players to win a lot of games this season, and there is no doubt that the coaching staff is willing to work as hard as it can to make certain the players are ready to play. There is a lot of football yet to play, and the fans have to keep the faith and give the team the support it deserves. A football field can be a mighty lonely place when things are going bad; however, the support of the fans can make a difference, and is needed now worse than ever.

C'mon folks, we're from Elba and couldn't be prouder!!!!

NEW BROCKTON TAKES COMMAND IN AREA ACTION

A lot can happen in the span of three weeks, just ask the New Brockton Gamecocks, who got blanked by a suspect Arrian squad 20-0 in week #1, but have bounced back with two wins and now appear the team to beat in Area 3. Every week tells a story, and here are the stories heard in week #3.

***NEW BROCKTON (2-1)** made every team left on its schedule sit up and take notice last week by blasting Zion Chapel 40-8. The Gamecocks began to look like a pretty good 1A club last week with its easy win over G.W. Long; however, the lopsided win over the supposedly tough Rebels had to send chills throughout the area. If the Gamecocks that had showed up the last two weeks are the "real Gamecocks," watch out!

***ZION CHAPEL (1-2)** was expected to have its best team in years this season, but after losses to Houston Academy and New Brockton, the Rebels have to be wondering what happened. The Zion Chapel team that takes the field this week is the same team that was expected to be a powerhouse, and maybe the difference in the early season is that the Rebels read their pre-season hype, while their opponents didn't care.

***KINSTON (0-3)** scored three touchdowns for the third straight week, but for the third straight week it wasn't enough, as the Bulldogs remained winless after a 41-21 setback to Florida. The Bulldogs are better than their 0-3 record might make one think, but unless Kinston can find some kind of defense, the offensive fireworks will just be for show.

***BRANTLEY (2-1)** jumped out to a 20-0 lead against Coshen and held on to edge the Eagles 20-14, in a game in which Brantley was forced to play without the services of at least three starters. The Bulldogs are one of the state's top 2A teams, but will have to try and keep everyone healthy if they want to make a run at a title.

TOUR AROUND STATE PROVIDES FEW SURPRISES

The early weeks of the high school football season are always filled with surprises; however, last week was the third week of the season and apparently things have settled down, as the upsets were few and far between. Here's a quick look around the state by classification...

***CLASS 6A -** Third-ranked Robert E. Lee was lucky to be 2-0 after narrow wins over Carver and Pascagoula, but the Generals didn't need any luck last week as they clobbered #1 Vigor 35-7. Northview made its claim for the #1 ranking with a 20-7 win over Spence McCracken's Opelika Bulldogs, while Montgomery's Sidney Lanier went to 3-0 with an impressive 21-8 win over Greenville.

***CLASS 5A -** The 5A poll will take on a new look as #3 Jackson, #6 Greenville, #7 Blount and #9 Hillcrest all lost. Top-ranked Russellville survived to edge Colbert County 21-14, while closer to home, Andalusia claimed a rare win with a 21-20 squeaker past 2A Straughn and Opp claimed its second straight win by blasting 6A Carroll 34-13.

***CLASS 4A -** Top-ranked T.R. Miller flexed its muscles in a 24-0 romp past SA Jackson, while #4 W.S. Neal held Daleville to minus two yards rushing in the second half in a 28-18 win over the (1-2) Warhaws. Ashford improved to a surprising 3-0 with an 18-6 win over Geneva, and Dale County also went 3-0 with a 64-8 laughter over Clayton.

***CLASS 3A -** Defending state champion Colbert County put up a good fight before falling to #1 SA Russellville 21-14, while #3 J.B. Pennington lost its first regular season game in over three years when it lost to Cleveland 21-13. Closer to home, Luverne improved to 2-1 with a big 38-13 romp past Charles Henderson, and Southern Choctaw slipped to 0-3 as it was clobbered by St. Paul's 32-0.

***CLASS 2A -** Top-ranked Clay County shut-out 11 opponents last season enroute to the state title, and claimed its third straight shut-out of the season Friday night in a 40-0 romp past Coosa-Central. #2 Hazlewood kept pace with a 40-0 win over East Lawrence, but Leroy slipped to 1-2 after a 20-7 setback to Clarke County. A team to watch in the local area is Highland Home, as Coach Mac Chapman's Flying Squadron improved to 3-0 with a 36-6 win over Red Level.

***CLASS 1A -** Top-ranked Addison got roughed up by Cordova 37-8 and #2 Billingsley fell to #5 Autaugaaville 7-6, which could lead to Mableville moving atop the poll after claiming a 22-0 win over Francis Marion. Closer to home, Houston Academy improved to 2-1 with a 17-14 upset win over Wicksburg, which has now seen all three of its games go into overtime.

NEW BROCKTON FINALIZES '95 FOOTBALL SCHEDULE

The New Brockton Gamecocks were left with a nine-game schedule after Coffee Springs was closed, and with the open date being in the last week of the season, many thought the Gamecocks didn't really care if they played a game in week #10, or took a week off to get ready for the playoffs. Now we know! New Brockton put the finishing touches on its schedule last week when T.W. Martin was signed as the Nov. 3 opponent. The Warriors will make the long trip to Coffee County for the game, and it should be quite a game. By the way, T.W. Martin saw his record slip to 2-1 last week after a 27-0 loss to Lynn.

VOLLEYBALL GAMES ARE FUN FOR PLAYERS AND FANS

The Elba Lady Tigers have started their 1995 high school volleyball season, and after attending one of their early matches, I'll have to admit to being a non-stop and the games are fun for both the players and fans. The girls have obviously worked hard getting ready for the season, and their hard work paid off early as the varsity split a double-header and the junior varsity won its opener. The games begin a little early for most fans however, if you get a chance, you might be surprised how much you enjoy the sport.

POLISH PROGNOSTICATOR ENJOYS WINNING WEEKEND

Ye Ole Polish Prognosticator was feeling pretty good when he stopped by the office over the weekend and made sure everyone knew that he hit on 4 of 5 "Upset Specials" and went 28-5 for the week, which improved his yearly totals to 84-21, which isn't too bad a start. He admitted that he was a little surprised by the slow starts of Elba and Zion Chapel, which both stand at 1-2, and said he was shocked by the 0-3 starts of Pike County and Charles Henderson. Oh yea, here are this week's picks...

ELBA VS. OPP

Two old rivals going in opposite directions will meet Friday night in Opp as the Elba Tigers and Opp Bobcats renew their heated rivalry. The Tigers won their opener and haven't lost since, while the Bobcats lost their opener and haven't lost since. The records mean nothing when these two meet; however, the home field advantage could make the difference! OPP 14 ELBA 12

NEW BROCKTON VS. STRAUGHN

The Gamecocks are flying high after two big wins in a row and are ready to take on the world. Straughn isn't exactly world champs, but the Tigers do have a quality 2A club and won't be afraid of the Gamecocks when they make it to town Friday night. The Gamecocks better be ready for its toughest test yet!

NEW BROCKTON 22 STRAUGHN 21

ZION CHAPEL VS. CLAYTON

The Rebels were expected to march to an Area title this season and put Zion Chapel back on the map. Well, apparently the Rebels took a turn somewhere along the line, because they have already stumbled in the Area race and appear to be headed nowhere fast. Maybe Clayton will help the Rebels get back on the right track!

ZION CHAPEL 34 CLAYTON 8

KINSTON VS. SAMSON

Kinston's early season nightmare continued last week as the Bulldogs fell to 0-3 after being clubbed by undefeated Florida. This week the Dogs won't find the going any easier as undefeated Samson comes to town looking for an easy win. The nightmare in lower Coffee County will last at least one more week!

SAMSON 27 KINSTON 0

BRANTLEY VS. MCKENZIE

The Bulldogs will carry their walking wounded to McKenzie Friday night to meet the winless Tigers, and will try to rest some of their top players for the weeks to come. McKenzie may be down, but the Tigers don't go down without a fight, and will take the battle to the Bulldogs this week in their annual grudge match!

1995 ELBA LADY TIGERS....Members of the Elba High School varsity volleyball team include (kneeling, l-r) Vaughan Boyd, Leigh Kelley and Kerry Kelley. (Standing, l-r) Melissa Grantham, Andrea Camley, Wyndi Baker, Jama Windham and Lindsey Jared. Not pictured are Amber Frederick and Renee Nicholson.

Elba Lady Tigers open volleyball season

The Elba Lady Tiger volleyball team opened its season last week and suffered a 15-9, 15-2 setback to the New Brockton Lady Gamecocks.

Elba rallied behind the serving of Kerry Kelley and Leigh Kelley to take a 6-5 lead in the opening set, and led 9-8 late after gaining two points during the serve of Vaughan Boyd. New Brockton regained the serve; however, and served out the set to take the 15-9 win.

The Lady Tigers led 2-1 early in the second set after scoring two points during the serve of Lindsey Jared, but failed to score again as New Brockton rallied to the 15-2 win. Elba claimed the match.

The Elba Junior Varsity opened its season on a winning note as the Lady Tigers defeated the New Brockton JV 17-15 and 15-11.

The Lady Tigers fell behind 10-2 early in the opening set, but scored nine straight points during

the serve of Leslie Stinson to take an 11-10 lead, and then scored three straight points late to claim the exciting 17-15 win.

New Brockton regained command early in the second set and

owned an 11-6 lead, but the Lady Tigers again rallied and scored nine unanswered points during the serves of Racann McCollough and Katie Vaughan to pull out the 15-11 win, and claim the match.

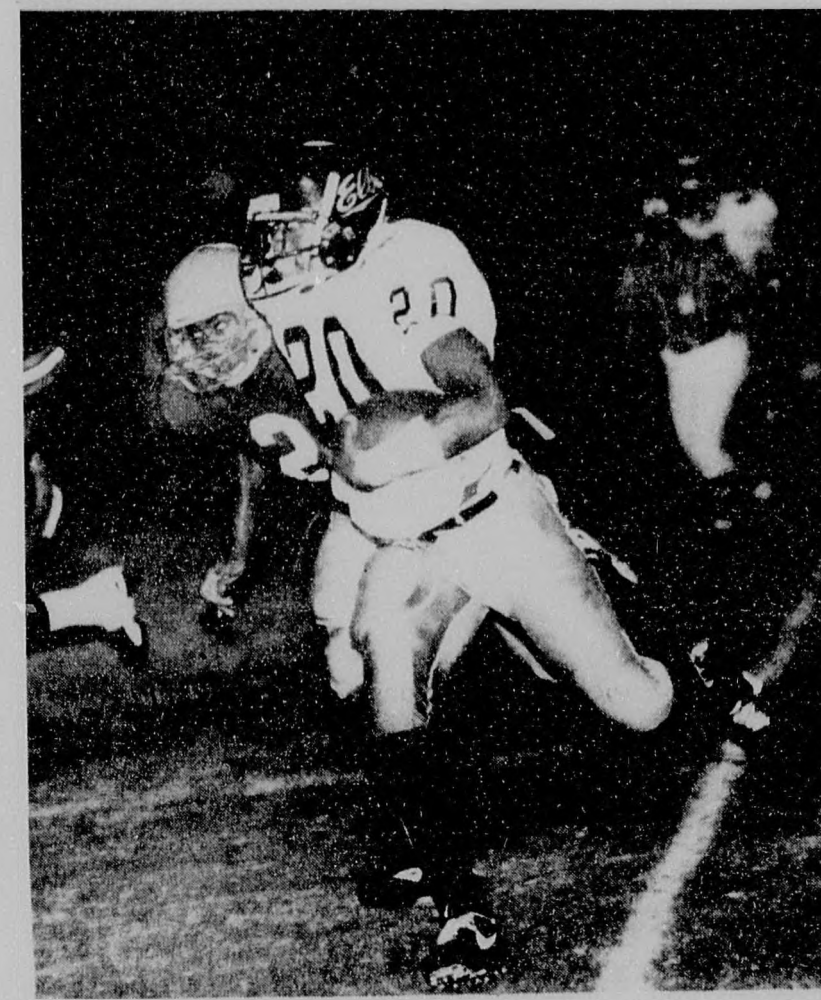

Elba defensive-ends Wesley Johnson (82) and Brian Rowe (45) have a Georgiana running back trapped behind the line of scrimmage. The Tiger defense shut-out the Panthers in the second half, but it was too late as Georgiana claimed a 27-6 win.

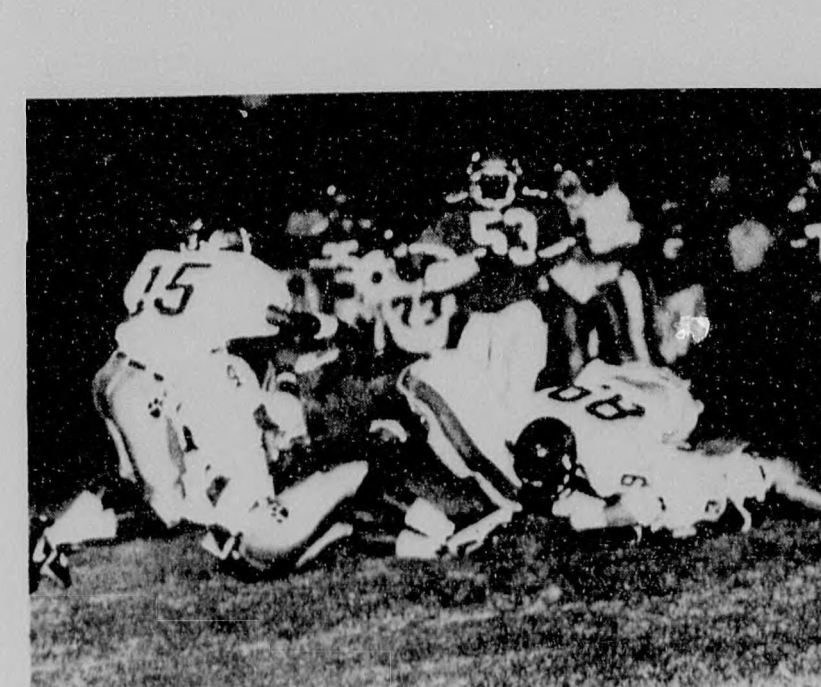

Georgiana tames Tigers 27-6

By Ricky Mularz, Sports Editor

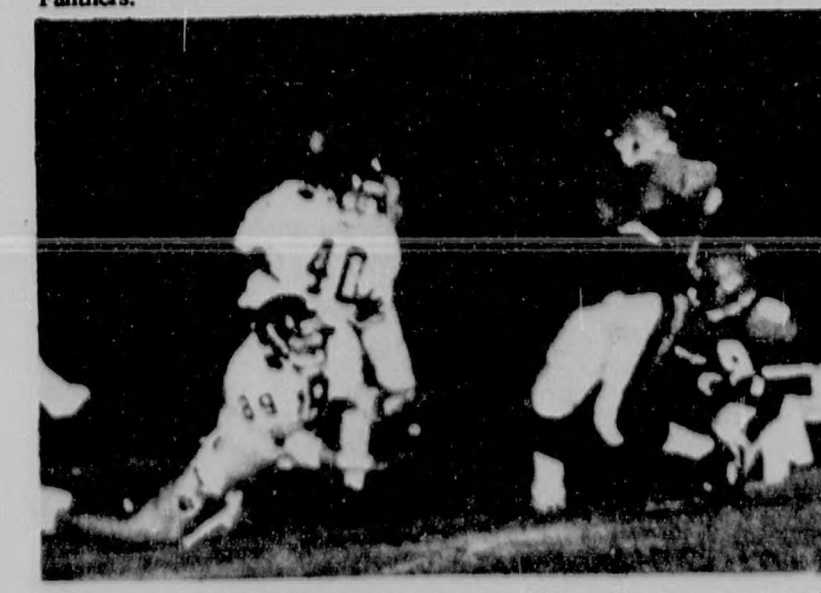

The Elba Tigers fell behind 27-0 in the first half and never threat-

Elba's Chris Tyson (20) heads around the corner for a big gain in last week's 27-6 loss to Georgiana. Tyson, a senior, gained 94 yards in 11 carries to lead the Elba offense in the loss.

TIGERS TEAM UP FOR TACKLE....Elba's Rudy Free (89), D'Undray Peterson (33), Brian Rowe (45) and Sterling Jones (15) combine to bring down a Georgiana runner in Friday night's 27-6 loss to the Panthers.

Elba's Griffin Shirley (40) and Rudy Free (89) apply a heavy rush to the Georgiana place-kicker. Shirley blocked the extra-point attempt.

The loss left the Tigers with a 1-2 record, while Georgiana improved to 3-0 with the win.

<u>1ST HALF STATISTICS</u>		
E		G
2	1st Downs	9
31	Rushing Yds.	97
0	Passing Yds.	31
31	Total Offense	128
0-0-0	Passes	3-5-2
4/3	Fumbles/Lost	3/0
2-32	Punts-Ave.	0-00
17	Penalty Yds.	10

Georgiana received the opening kick and wasted no time grabbing an early lead as the Panthers' Arrick McCoy scooped up the kick at the 13-yardline and raced 87 yards for a touchdown. Henry Gilmore added the extra-point and with only 13-seconds gone in the game Georgiana was on top 7-0.

Elba fumbled the football right back to the Panthers on their first play from scrimmage, and Georgiana took advantage of the turnover to increase its lead to 13-0.

A 7-yard pass on fourth down and six at the Elba 32-yardline was a key play in the drive, while the touchdown came on a fourth down and four, when Rondale Williams lofted a 19-yard pass to Tyrone Curry. Elba's Griffin Shirley blocked the extra-point attempt, but with 6:43 left in the first quarter Georgiana was in command with an early 13-0 lead.

Elba got a break late in the first quarter when Leray Smedley intercepted a Georgiana pass at the Elba 45-yardline; however, the Tigers gave the ball right back on a fumble, and this time Georgiana drove 42 yards in five plays to extend its lead.

A major distance penalty against Elba aided the scoring drive, with Henry Gilmore clinching the march with a 6-yard TD run. Rondale Williams passed to Henry Gilmore for the two-point conversion, giving the Panthers a 21-0 advantage with 11:43 still left in the first half.

Elba came up with another break midway through the second stanza when Leray Smedley intercepted his second pass of the half and returned it to midfield, but the Tigers again returned the favor, as the next play the Tigers lost a fumble back at the Elba 37-yardline.

A 12-yard gain on a fumble was a big play for the Panthers in the 37-yard scoring drive, while the touchdown came when Willie Peterson bulldozed over from two yards out. The two-point try failed, but when the first half ended 11-seconds later, Georgiana left the field with a lopsided 27-0 lead.

Elba came up with another break midway through the second stanza when Leray Smedley intercepted his second pass of the half and re-

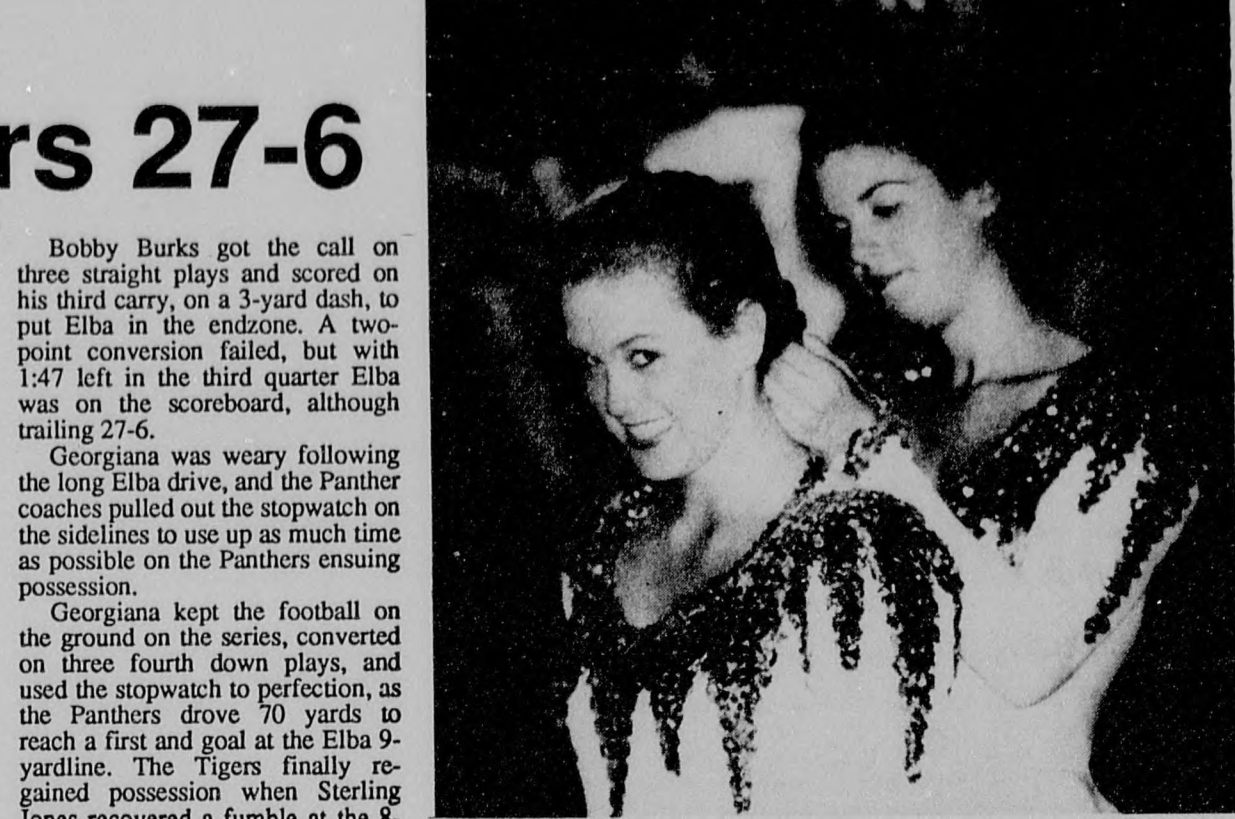

Elba received the second half kick and showed signs of life offensively as the Tigers marched to the Georgiana 42-yardline, only to be slowed by a penalty, and then turned the ball over when a faked punt on fourth down failed to move the chains.

The Tigers got the ball back on the Elba 16-yardline following Georgia's only punt of the game, and marched 84 yards in 12 plays to get on the scoreboard.

A 21-yard scamper by Chris Tyson on a third down and eight kept the drive alive early, while a 10-yard run by Troy Bryan and a 27-yard run by Tyson gave the Tigers a first down and goal at the Georgiana 8-yardline.

A ROUGH NIGHT FOR EVERYONE....Elba's trip to Georgiana turned out to be a rough night for everyone, even the cheerleaders, as Jill Martin has her ankle taped by Elba assistant coach and athletic trainer Todd Killingsworth.

LAST MINUTE PREPARATIONS....Elba's Marching Tiger dance line members Kayron Whitworth (left) and Whitney McCall (right) make sure everything is ready prior to taking the field. (Note: The dance line member pictured last week was not Miss McCall, and The Elba Clipper apologizes for any embarrassment caused by the mistake)

Brantley outlasts Goshen 20-14

Brantley's Fred Upshaw (7) struggles to gain yardage against the Goshen defense. The Bulldog offense put 20 points on the scoreboard in the first half in the 20-14 win.

By Greg Brunson, Sports Writer

A battered bunch of Brantley Bulldogs survived a scare from the Goshen Eagles Friday night and held on to claim a hard fought 20-14 victory.

More Jones, Drameine James and Ben Fox, all two-way starters for the Bulldogs, missed the game with injuries, and the lack of depth hurt Brantley as its usually potent offense struggled.

It appeared it would be an easy night for the Bulldogs as the defense held the Eagles to three plays and out on their first possession.

On Brantley's first play from scrimmage, Austin Cauley fired a 52 yard touchdown pass to T.J. Austin, who caught the pass streaking down the right sideline and raced into the endzone. Cauley added the extra-point and Brantley had a quick 7-0 lead with 9:17 left in the first quarter.

Alan Compton recovered an Eagle fumble two plays later at the Goshen 26-yardline, but three incomplete passes forced a 43-yard field-goal try, and Cauley's long field-goal attempt had plenty of leg, but sailed just wide.

Later in the first quarter, Jason Franklin was hit by Bo Daniels as he attempted to pass. Alan Compton intercepted the errant pass and returned it 47 yards for an apparent touchdown; however, a late flag for clipping nullified the score.

Austin Cauley intercepted another Franklin pass midway through the second stanza, but the offense again failed to mount any threat, and turned the ball back

over on downs. T.J. Austin claimed the Bulldogs' third interception of the half on Goshen's next series and returned the interception to the Eagle 35-yardline, and after one first down, Austin Cauley hit Cedric Wages on a 21-yard pass play that moved the ball to the Eagle 4-yardline. On the next snap, Cauley rolled around the right end and raced untouched into the endzone. The conversion was true by Cauley, and with 5:52 left in the half Brantley was on top 14-0.

Two plays later, Fred Upshaw picked up a fumbled pitch-out and returned the fumble deep into Eagle territory. On the next snap, Austin Cauley passed to T.J. Austin near the corner of the endzone, and Austin made an adjustment on the pass, leaped over two Goshen defenders and made the catch for a Bulldog touchdown.

The extra-point attempt failed, but with only :06 left in the first half Brantley was apparently in control with a 20-0 lead.

Midway through the third quarter, the Eagles cracked through to partially block a Brantley punt. Jason Franklin hooked up with Javorian Brown on the next play for 20 yards and a touchdown, and after a Brandon Davis p.a.t., Goshen had cut the lead to 20-7 with 5:26 left in the third quarter.

A Bulldog fumble gave Goshen the ball back on the Eagles' 44-yardline, and seven plays later, on fourth down and six, Franklin hit Cedric Green in the endzone for another Eagle score. Davis again hit on the extra-point, and with 11:41

HEADING UP THE SIDELINES...is Brantley's Alan Compton (51) after making an interception during the Bulldogs' 20-14 win over Goshen.

left in the game the Brantley lead was down to 20-14.

On their next two possessions, the Brantley offense used two big plays to move into Goshen territory. Cauley hit T.J. Austin for 42 yards and a key first down from the Bulldog 17-yardline for one key play, while Fred Upshaw cracked off a 36-yard run down to the Goshen 7-yardline with a minute left on the clock, to seal the 20-14 win.

Brantley's offense was led by T.J. Austin with 115 yards on 3 big catches, including two that went for touchdowns. Fred Upshaw added

Kinston quarterback Jason Wambles (4) rolls out and looks to pass in Friday night's 41-21 loss to Florida. Wambles rushed for 145 yards and passed for 95 yards to lead the Bulldogs.

Kinston's Alan Bowdoin (82) pulls up after watching a pass sail over his head during Friday night's 41-21 loss to Florida.

Steven Reese had a big 45 yard scamper to spark the scoring drive, while Avery Hill got the score on a three-yard plunge, and Lancaster added the extra-point, increasing the Florida lead to 21-6 with 4:22 left in the second quarter.

Florida regained possession on a Kinston fumble at the Bulldog 31-yardline, and five plays later the Wildcats were back in the endzone, with the score coming on a 7-yard dash by Ronnie Davis. Kenny Webster bulled over for the two-point conversion, and with 4:01 left in the half the Wildcats had blown it open by taking a 29-6 lead over the out-manned Bulldogs.

A fumble recovery by Kinston's Ricky Morris stopped a Florida drive at the Bulldog 40-yardline early in the third quarter, and the turnover seemed to wake-up the Bulldogs, as on the very next play Jason Wambles led a pass to a streaking Casey Grace, who pulled in the pass and raced 54 yards to the Florida six-yardline!

The Bulldogs and their fans were convinced a score would put Kinston back in the game; however, the excitement of the big pass play didn't last long, as one play later Wambles went back to the air, only to see Florida's Ronnie Davis step in front of the aerial at the one-yardline, and race 99 yards for a Wildcat score. The two-point try failed, but with 6:07 left in the third quarter Florida was in complete command with a 35-6 advantage over the shocked Bulldogs.

Kinston's Michael Farris pounced on a Florida fumble at the Wildcat's 44-yardline late in the third quarter, and the Bulldogs took advantage of the turnover to get back in the endzone!

A 40-yard scamper by quarterback Jason Wambles was a big play in the scoring march, while the touchdown came when Wambles hit Casey Grace with a 4-yard scoring toss. Wambles ran in for the two-point conversion, as Kinston

cut the lead to 35-14 with 1:15 left in the third quarter.

Florida opened the fourth quarter at its own 29-yardline following a clipping penalty, but was merely warming up, as the Wildcats again headed downfield to get back in the endzone.

The Wildcats Kenny Webster got the drive off to a fast start with a 37-yard scamper, while it was Eddie Thrash that capped the drive with a two-yard touchdown run. The two-point try failed, leaving Florida with a 41-14 advantage with 8:57 still left in the high-scoring affair.

Kinston's hopes for a win had long since vanished; however, the Bulldogs' Jason Wambles wasn't about to quit, and led the Bulldogs back downfield behind his passing and running. The talented quarterback got the score on a 49-yard sprint, and Chancy Lashley drilled the extra-point, as Kinston pulled within 41-21 with 7:11 remaining in the game.

Kinston's Kenny Hughes recovered a Florida fumble late in the game, but the Bulldogs weren't able to turn the turnover into points, and at the final horn the Wildcats had the win 41-21.

Jason Wambles led Kinston with 145 yards on 13 carries, while Adam Osborn added 83 yards on five carries, and Casey Grace pulled in four passes for 87 yards and a touchdown.

Jason Brooks gained 124 yards on six carries and Steven Reese added 111 yards on seven carries to spark the Florida offense.

Lady Bulldogs win tourney

The Kinston Lady Bulldog volleyball team made school history last weekend when it claimed the championship of the 12th annual Kinston Set-Off Volleyball Classic.

Ten teams competed in the prestigious event, with five teams participating in round-robin action in pool play.

Kinston had little trouble winning its pool, as the Lady Bulldogs downed 6A Enterprise 15-11, 15-2; Vernon, Florida 15-4, 15-4; G.W. Long 15-2, 15-1; and 5A Eufaula 15-3, 12-15, 15-6.

The Lady Bulldogs then battled 6A Carroll, of Ozark, in the championship match, and stunned the

New Brockton ambushes Zion Chapel Rebels 40-8

From combined reports

The New Brockton Gamecocks continued their early season surge Friday night as they dominated play from the opening kickoff until the

final horn in a stunning 40-8 romp past the Zion Chapel Rebels, in New Brockton.

The win improved New Brockton's record to 2-1, 1-0 in Area 3

action, while Zion Chapel slipped to 1-2, 1-1 in Area 3 play.

Neither offense could muster a drive on its initial series of the night; however, the New Brockton

offense gave its fans a preview of things to come on its second possession as the Gamecocks marched downfield for the first score of the game.

The touchdown came on a 16-yard dash by Lee Flowers, and although the extra-point try failed, New Brockton was on top to stay at 6-0.

The Gamecocks got the ball back on a Zion Chapel punt and this time went to the air, as Scott Hughes hit a streaking Eric McClain on a 50-yard touchdown pass. Hughes passed to Corey Hughes for the two-point conversion and New Brockton was on top 14-0, much to the delight of the Gamecock fans!

The defensive units began to dominate the action in the second quarter, but the Gamecocks struck again late in the stanza to increase its lead to 20-0. The score was set by a long run by Marquess Hutcherson, while it was Scott Hughes that got the touchdown as he rolled out and sprinted six yards to the endzone.

Zion Chapel's defense stopped the Gamecocks on their initial possession of the second half, and then got a little lucky when the Rebels fumbled the ensuing punt, but saw Shane Bragg scoop up the loose

ball and race 57 yards for a Zion Chapel touchdown. Elliot Liprot ran in with the two-point conversion, and the Rebels had chopped the deficit to 20-8 early in the third quarter.

A partially blocked punt gave the Rebels the ball right back at the New Brockton 14-yardline and it appeared that Zion Chapel was ready to rally; however, the Gamecock defense rose to the challenge and handed the ball back over to the New Brockton offense at the 16-yardline.

The Gamecocks failed to add to their lead on the ensuing series, but got the ball back at the Zion Chapel 30-yardline to begin its next possession and this time quickly moved into the endzone.

Scott Hughes climaxed the six play, 30-yard drive with a six-yard touchdown jaunt, and after a successful extra-point, the Gamecocks were back in command with a 27-8

advantage.

New Brockton increased its lead to 34-8 on its next possession as Lee Flowers scored on a 10-yard run, and then marched 75 yards for its final score of the night, with Marquess Hutcherson getting the TD on a five yard dash, giving the Gamecocks the impressive 40-8 win over their cross-county rivals.

New Brockton's Jerry Haynes gained 151 yards on 11 carries to lead New Brockton, while Lee Flowers added 64 yards on 15 carries and Marquess Hutcherson gained 46 yards on 8 carries.

Scott Hughes hit on 3 of 9 passes for 64 yards and one touchdown, and added two touchdowns on the ground as he gained 40 yards on 10 carries.

Elliot Liprot gained 41 yards on 13 carries to lead Zion Chapel, which was held to only 67 yards rushing by the New Brockton defense.

A ONE CAR ACCIDENT Monday afternoon did some property damage, but the lone male occupant of the Toyota crawled out the back window and was apparently unhurt. The Ford with the FOR SALE signs was parked in the yard of Albert and Hazel Conway who live on the East side of Highway 167, one mile North of Clower Bridge. The automobile was apparently traveling North when the driver lost control and overturned in the front yard of the Conway home. Alabama State Troopers investigated the accident. They were assisted by a unit from the Coffee County Sheriff's Department.

NEWS FROM ESJC

Caring for a "Greying" Society

Health care providers are encouraged to enroll in Enterprise State Junior College's fall health workshop, Caring for a "Greying" Society. This workshop is designed for health care workers who are interested in meeting the physical, mental, emotional, and social needs of the elderly. Participants will learn to identify physiological and neurological changes which occur with aging, as well as how to encourage wellness and meet the emotional needs

for this segment of our population. Nurses will receive 7.2 contact hours of continuing education credit in cooperation with Diversified Nursing Services, an organization approved by the Alabama Board of Nursing as a provider of continuing education. The workshop is scheduled for Friday, October 13, 8:00 a.m.-3:30 p.m. There is a \$50.00 fee for this workshop, and the registration deadline is September 26. For more information, call 393-ESJC, ext. 234.

SOUTHEAST ALABAMA QUEENS CROWNED. Pictured above are the winners of Miss Southeast Alabama Pageant. They are (l to r) Miss Pre-Teen Southeast Alabama Suzanna Moore of Wicksburg, AL; Jr. Miss Southeast Alabama Alexis Dollar of Slocomb, AL; Little Miss Southeast Alabama Meredith Mock of Enterprise, AL; Petite Miss Southeast Alabama Ashley Clark of Dothan, AL; and Tiny Miss Southeast Alabama Caitlin Sexton of Troy, AL.

Principles of Investing

Learn all about investing your savings in Enterprise State Junior College's workshop, Principles of Investing. This special workshop is suitable for a novice investor or a seasoned veteran. Examine many of the investments available today, the advantages and disadvantages of each, and which ones meet personal financial needs and goals. Learn to identify the six common reasons people fail at investing, identify the eight rules for successful investing, learn the relationship between risk and reward, and structure a suitable portfolio given risk and reward parameters. This workshop is scheduled for Tuesdays, October 3-November 14, 6:00-8:00 p.m. There is a \$25.00 fee, and the registration deadline is September 26. For more information, call 393-ESJC, ext. 234.

Using the Microcomputer - Level II
Enterprise State Junior College's popular special interest course, Using the Microcomputer-Level II, returns this fall quarter. This course is designed for those who have experience with keyboarding. Participants will learn the basic concepts of computer hardware components and basic capabilities of a variety of software packages including WordPerfect, Lotus 1-2-3, and dBase III+. A 3 1/2" diskette is required for the first class. There is a \$30.00 fee for this course, and the registration deadline is September 26. Class meets Tuesdays and Thursdays, October 3-12, 5:00-7:30 p.m. For more information call 393-ESJC, ext. 234.

Sweatshirt Painting Workshop
Crafts lovers! Enterprise State Junior College's Sweatshirt Painting workshop returns this fall quarter! Learn painting techniques on various types of cloth surfaces, how to apply a design to the cloth surface, how to select the paint and painting technique for each project, and how to correctly treat the cloth surface for durability after the project has been completed. A pre-washed light col-

Crenshaw County Commission's insurance programs.

"I think we should always be open to seeing about saving money," said Holley. The council concurred. Young was asked to have a proposal prepared for presentation by the next council meeting - if at all possible. The town's present insurance expires on October 11.

In other matters, the council took the following action:

***Paid monthly bills totaling \$8,651.59.

***Approved the purchase of four (4) tires for the police cars.

***Signed a resolution concerning the town's utility franchise agreement. It resolves that the council will review all such agreements, and insure that the town is receiving its fullest benefits from such agreements.

***Okayed Jerry Gilbert's attending a safety coordinator's meeting on September 21 in Abbeville, AL.

***Signed Emergency Management Statement of Understanding between the Coffee County Commission, City of Elba, City of Enterprise, Town of Kinston, and Town of New Brockton.

***Appointed Roger Harrison to the town's parks and recreation board.

***Signed Senior Citizens grant/contract.

Some Kids Will Go Further In School This Year.

And...TCI Will Help Get Them There.

EDUCATION PROJECT

This year, students in 16,000 schools across the country can go on the ultimate field trip. To the cemetery at Gettysburg. Through the Pacific Ocean's Mariana Trench. Or to the moon and beyond. And it won't cost them a dime, thanks to the Education Project™ from TCI. We're proud to make this contribution to education. Because we believe if anyone belongs on the information superhighway, it's students.

HELP FOR OUR LOCAL SCHOOLS!!!

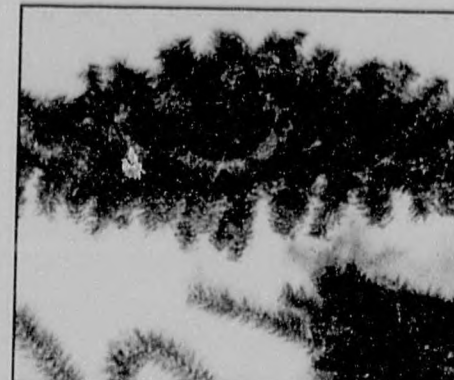

Subscribe to cable with TCI and we'll donate \$5.00 from your installations charge to local school systems. Last year TCI donated \$33,000 to benefit local education. Call now to order.

The Elba Clipper

VOLUME 99, NUMBER 16

50 CENTS

ELBA, ALABAMA, THURSDAY, SEPTEMBER 28, 1995

1 SECTION, 16 PAGES PLUS 3 ADV. INSERTS

COMMITTEE TO STUDY GASOLINE PRICES IN ELBA

Elba's budget set at \$2,049,630.00

by Ferrin Cox, Publisher

Monday night the Elba City Council approved a new budget for the 1995-96 fiscal year. The council voted to adopt the same budget as was adopted for the present year. The annual budget totals \$2,049,630. City Clerk Henry Clark said there were a few adjustments which needed to be made when the bookkeeper returns to work, however this could be done by amendments.

In reporting the activities of the department, Peacock said they had responded to 16 complaints since the last council meeting. The police had issued three traffic citations and made ten criminal arrests.

They had also investigated one automobile accident, according to Peacock. Council member Earl McCollough spoke up about the Troy Highway/203 Bypass intersection above. The council had opened bids on a new police car and two new pick-up trucks last week but tabled action on the bids at that time.

Mayor Ricky Haywood spoke up with a suggestion that the city government pass a unanimous resolution to the Alabama Highway Department requesting a traffic signal at this dangerous intersection.

Council member John W. Sharpless noted traffic lights don't necessarily prevent accidents and used the Brandy Highway/203 Bypass intersection and recent accidents there as examples.

The council will continue to look into this problem. The city council moved a bit closer to adopting a new, revised personnel policy manual Monday night. An ordinance for adoption was formally introduced for passage at the next council meeting. Council members had several questions about the draft policy manual. However, Haywood suggested each council mem-

ber mark errors or problem areas and give this to Clark for revision prior to the next meeting.

Haywood said he continues to get complaints about the price of gasoline in Elba in relationship to the cost in surrounding towns. He appointed a committee to look into the matter. They are to start with a comparison of municipal taxes in the area. Council Brad Wilson will chair the committee. Serving with him are Earl McCollough and John Sharpless.

Sharpless took the committee appointment after assurance this wasn't an effort to tell the service stations owners how to run their business.

At the request of SE Alabama Gas District, a proclamation declaring October 1 through 7 as Public Natural Gas Week was approved and signed by Mayor Haywood.

The council had opened bids on a new police car and two new pick-up trucks last week but tabled action on the bids at that time.

Sharpless took the committee appointment after assurance this wasn't an effort to tell the service stations owners how to run their business.

ANOTHER CRASH OCCURS...at the intersection of AL Hwy. 203 (By-pass) and AL Hwy. 87 (Troy Highway). A two-car crash, shortly after 3:00 p.m. last Tuesday (September 19), sent two men to the local hospital. A late model car traveling south driven by Terry Dease, 25 of 1122 Brundidge Street, Troy, AL was struck head-on by an older model car driven by Harper Smart, 86, of 928 Sunset Blvd., Elba. Elba Police Officer Randy White, who almost saw the accident car, said it look like a crash at Indy with smoke rising from sliding tires as cars were breaking to miss the two that had collided in the intersection. There have been numerous wrecks at this intersection as well as at the AL Hwy. 189 and U. S. Hwy. 84W intersections with AL 203. Officials urge motorists to pay close attention when going through either of these intersections. DON'T BE ONE OF THE NEXT VEHICLES PICTURED IN THIS SPOT.

COMMISSIONER STEPHENS WANTS PEOPLE TO HAVE A SAY Coffee County approves \$9.18 million budget

by Marvin McLain - Editor

In Monday's meeting of the Coffee County Commission, the commissioners approved a budget of \$9,183,818.00 for the Fiscal Year 1996.

This is an increase of \$573,217.00 over last year's budget. The following is a breakdown of funds which make up the budget, this year's budgeted amounts and last year's year's amount in parentheses for comparison:

General Fund - \$3,215,000.00 (\$2,999,350.00).
Landfill Fund - \$2,543,668.00 (\$2,407,531.00).
Gasoline Fund - \$1,394,690.00 (\$1,287,681.00).
Road & Bridge Fund - \$550,000.00 (\$494,423.00).
3RRR Gasoline Fund - \$573,217.00 (\$547,773.00).
Public Highway & Traffic Fund - \$290,349.00 (\$247,773.00).
Reappraisal Fund - \$174,111.00 (\$168,775.00).

After the adoption of the budget, Commissioner Robert Stephens was the only one to make any comments on the new budget.

He complimented the commission, and all the county's different department heads, on their hard work in preparing the budget for FY-96.

"We spent a lot of time on the budget. There's a lot of little things that have to be worked out and I just appreciate the hard work by everyone," said Stephens.

He noted that included in the new budget was a 2.5 percent cost-of-living raise for all county employees and a 2.5 percent merit raise for those employees who qualified.

Stephens commented that there has been a lot of discussion about the courthouse situation.

"To build a new courthouse at this time with the budget we have could not be done. We haven't increased any taxes and personally I'm not in favor of increasing any taxes," said Stephens.

"To build a new building would be the largest expenditure that the county has ever made and the largest debt the county has ever made on one building," he said.

Stephens said that he has always trusted the people of Coffee County and that they should have a right to vote on the matter.

"It's a serious thing, and I realize the needs of our county, but with this year's budget and the anticipated

revenues next year, we could not make a payment on a new building," Stephens concluded.

Following a 10 minute break, Jack Boswell, Jr. addressed the commission.

Boswell proposed a community corrections program designed to relieve overcrowding in county jails.

According to Boswell, the Community Punishment and Corrections Act passed by the Alabama Legislature in 1991 allows these programs to be implemented.

He stated that the goal of the program is to provide an alternative to sentencing for the county and municipal judges and to alleviate jail space which has previously been occupied by non-violent, low-risk offenders.

Boswell noted that the program would not require any funding from the county.

Commission Chairman Lawrence Cret told Boswell that the commission would review the matter further and get back in contact with him.

Stephens concluded the meeting by saying, "We appreciate Sheriff Whitbur Mitchell of Covington County loaning us the undercover officer, who was instrumental to the success of the operation."

"These are the most drug arrests that have ever been made in Crenshaw County. Also, we appreciate the agencies that assisted in funding 'Phase II' of this operation. This type of cooperation between law enforcement agencies is critical in the fight against the drug problem."

"We will continue to work to help Crenshaw County, and surrounding areas of drugs and drug dealers."

Stephens thanked the commission for their support and said, "We will continue to work to help Crenshaw County, and surrounding areas of drugs and drug dealers."

** HAPPENINGS **

AREA FOOTBALL GAMES. This Friday night the Elba Tigers play Daleville; the Kinston Bulldogs are host to Samson; New Brockton's Gamecocks travel to do battle with Houston Academy; the Brantley Bulldogs play their neighbor to the north, Luverne, in Luverne; and the Zion Chapel Rebels have an open date this week. Please check with the respective schools concerning kick-off times.

COFFEE COUNTY PROBATE OFFICES. Probate offices in both the Elba and Enterprise courthouses will remain open one hour longer (until 5:30 p.m.) on Friday, September 29, and Monday, October 2, for the convenience of Coffee County citizens. Probate Judge Bill Gammit explained this is on a trial basis and is for title transfers, the purchase of car tags and licenses ONLY.

SAFETY COURSE FOR HUNTERS. A Hunter Safety Course will be held Saturday, September 30, and Sunday, October 1, at the Game & Fisheries Office located on AL Hwy. 167 south of Enterprise. The course will start at 8:00 a.m. The class size will be limited, so call 347-9467 to reserve a place.

OLD HOME FOLKS DAY. The 19th annual Old Home Folks Day, sponsored by the Retail Merchants Committee of the Opp and Covington County Area Chamber of Commerce, will be held Saturday, October 7, from 9 a.m. to 5 p.m. at the Frank Jackson State Park in Opp, AL. The park is located off U.S. Highway 331 on Opine Road (Co. Rd. 42). Just follow the signs. For additional information call (334) 493-3070.

New zoning plan to be discussed at public meeting

A very important meeting to property owners within the City of Elba will be held next Tuesday night.

Billed as Elba Land Use Plan, it is a complete review of the current zoning laws and designations within the city limits.

The meeting will be held in the Elba Elementary School Cafeteria at 7 p.m. Tuesday, October 3rd.

Previous zoning actions, such as the zoning of all the property incorporated into the city limits several years ago, was largely ignored by the affected property owners. Then, after the actions became law, upset property owners howled, but to no avail.

An advertisement in this issue of the Elba Clipper urges public attendance at this important meeting. Any questions prior to the scheduled meeting should be directed to City Clerk Henry Clark at the Elba City Hall.

Elba Rescue Squad to sponsor Walker Brothers Circus

The Elba Rescue Squad is sponsoring an appearance by the highly acclaimed Walker Brothers Circus at Miller Memorial Stadium in Elba.

On Sunday, October 15, there will be two performances, one at 2:00 p.m. and another at 4:30 p.m.

The Walker Brothers Circus is the only totally brand new circus in America, and features elephants, horses, ponies, dogs, thrilling aerial acts, and, of course, funny clowns.

Persons wishing to attend the circus can help the Elba Rescue Squad and save money too, by purchasing their tickets before the show date at Elba Pawn & Gun at 320 Simmons Street in Elba, or from any rescue squad member.

Advance tickets are \$6.00 for adults. All children (12 years old & under) are admitted free with a free child's ticket, and provided they are accompanied by an adult ticket holder.

In order to be admitted to the circus free, children MUST have a free child's ticket (yellow ticket). Up to three children's tickets are available for each paid adult ticket.

Tickets at the gate will be \$8.00 for adults and \$5.00 for children. For more information, call 897-5412. If no one answers, leave a message and someone will return your call and answer any questions you might have.

NEWS BRIEF

Lucius Toney, III was convicted of capital murder Thursday, September 21, in the kidnapping, robbery and shooting death of Captain D's assistant manager Roy William Fride-more. After deliberating for just over three hours, a three-man jury returned a guilty verdict. The right of a jury to conduct the sentencing phase of the capital murder trial was waived by both attorneys for the prosecution and the defense. In a sentencing hearing to be held on October 20 at 9:00 a.m., Circuit Judge William (Bill) Barr will decide whether Toney will serve life without parole in prison or face death in the electric chair.
